

Pragmatic Project Delivery for New Zealand Businesses

Clear direction. Practical results.

In New Zealand's fast-moving environment, projects that stall or drift can drain time, money, and momentum. At Jura Consulting, we cut through the complexity with straightforward, no-nonsense project management support tailored specifically for small and medium-sized businesses. No corporate jargon, no unnecessary overhead—just senior expertise that gets things back on track and delivered.

Our Services

End-to-End Project Delivery

Full management from initiation to close-out, with clear milestones, risk control, and commercial focus so you hit quality, time, and budget targets.

Training & Capability Building

Hands-on, business-specific workshops that equip your team with tools and confidence that actually fit how you work.

Governance & PMO Support

Set up practical oversight frameworks, stakeholder alignment, and reporting that give leadership real visibility without the bureaucracy.

Fractional / Contract Project Management

Plug in experienced leadership exactly when you need it—whether it's a short-term contract role for a specific project or a flexible monthly retainer (typically 2–4 days) for ongoing guidance, risk management, and team coaching.

Project Support & Advice

Quick, targeted help on tricky issues, process reviews, or one-on-one coaching—available as needed, with no long-term lock-in.

Pragmatic Project Delivery for New Zealand Businesses

Governance and PMO Support

We help New Zealand organisations establish and maintain effective project governance and Project Management Office (PMO) functions that are fit-for-purpose — especially for SMEs that need results without heavy bureaucracy.

Strong oversight. Practical Control. Real visibility.

What we can deliver:

-  **Governance Frameworks**
Design and implement clear decision-making structures, roles & responsibilities, escalation paths, and reporting that give leadership confidence and accountability without slowing things down.
-  **PMO Setup & Enhancement**
Build lightweight, practical PMOs (or review existing ones) that deliver consistent standards, portfolio visibility, resource oversight, and lessons-learned processes tailored to your organisation's size and maturity.
-  **Ongoing PMO Support**
Fractional or contract PMO leadership to maintain momentum, produce reliable reporting, manage risks, and support your project managers day-to-day.
-  **Stakeholder Alignment & Reporting**
Create communication rhythms and dashboards that bridge technical delivery teams and senior/executive stakeholders.
-  **Health Checks & Maturity Assessments**
Independent reviews of current governance or PMO effectiveness with actionable improvement roadmaps.
