

Pragmatic Project Delivery for New Zealand Businesses

Clear direction. Practical results.

In New Zealand's fast-moving environment, projects that stall or drift can drain time, money, and momentum. At Jura Consulting, we cut through the complexity with straightforward, no-nonsense project management support tailored specifically for small and medium-sized businesses. No corporate jargon, no unnecessary overhead—just senior expertise that gets things back on track and delivered.

Our Services

End-to-End Project Delivery

Full management from initiation to close-out, with clear milestones, risk control, and commercial focus so you hit quality, time, and budget targets.

Training & Capability Building

Hands-on, business-specific workshops that equip your team with tools and confidence that actually fit how you work.

Governance & PMO Support

Set up practical oversight frameworks, stakeholder alignment, and reporting that give leadership real visibility without the bureaucracy.

Fractional / Contract Project Management

Plug in experienced leadership exactly when you need it—whether it's a short-term contract role for a specific project or a flexible monthly retainer (typically 2–4 days) for ongoing guidance, risk management, and team coaching.

Project Support & Advice

Quick, targeted help on tricky issues, process reviews, or one-on-one coaching—available as needed, with no long-term lock-in.

Why Choose Us

- ✓ Senior practitioners who have delivered diverse projects and programmes.
- ✓ Results-oriented: more confidence, fewer surprises, projects that actually deliver value.
- ✓ Local New Zealand knowledge and availability.
- ✓ Flexible, cost-effective models designed for SMEs.

Pragmatic Project Delivery for New Zealand Businesses

Project Delivery

At Jura Consulting Solutions, we provide experienced, hands-on project delivery support tailored for New Zealand SMEs. Whether you need full end-to-end management or targeted leadership for a specific phase, we step in as your pragmatic project manager — bringing structure, momentum, and commercial focus without the overhead of large consultancies. **Senior leadership. On time. On budget. Delivered.**

What we can deliver:

End-to-End Project Management

Full delivery leadership from initiation through to successful closure. We handle planning, stakeholder management, risk & issue control, budgeting, and quality assurance so your project actually delivers the intended value.

Fractional Project Management

Flexible, part-time senior support (typically 2–4 days per month) ideal when you need experienced oversight without a full-time hire. Perfect for multiple smaller projects or ongoing programme support.

Phase-Specific Support

Targeted help for initiation, planning, execution, or close-out phases when you only need expertise at critical points.

Contract / Interim Project Management

We embed as your dedicated project manager for the duration of the initiative — whether that's 3 months or 12. You get immediate capability and continuity without recruitment delays.

Project Coaching & Shadowing

We work alongside your internal team to build capability while ensuring the project stays on track.

Pricing Guidance

- ✓ Fractional Project Management: \$130 per hour or equivalent daily rate. Most clients opt for a monthly retainer (e.g. 8–16 days/month) for predictability and continuity.
- ✓ Full Contract / Interim Project Management: Daily rate (typically \$950 – \$1,100/day depending on duration and scope) with a clear statement of work, milestones, and regular reporting.
- ✓ End-to-End Fixed Scope Engagements: Available for well-defined smaller projects — quoted as a fixed fee after initial scoping.

Pricing excludes GST and out of region travel if required.

We always start with a short, no-obligation discovery call to understand your specific needs and provide a precise, transparent quote with no surprises.
